2019 - Spring Edition

Spring Has Sprung

Bluebonnets and other assorted wildflowers adorn the hills, roadsides, granite outcroppings and lakeshore of our community this time of year. Moderate temperatures and plenty of sunshine summon to the trees, bushes, birds and other animals to burst forth with foliage and song. Residents are out walking, working in their yards and busily gearing up for warmer weather in our beautiful community in the Heart of the Texas Hill Country.

“Spotlight” On 2019

The newly elected Buena Vista POA Board met March 31 following our Annual Meeting to set priorities for 2019.

This year's Board Motto is **“Value for a Value”**

As you know, Buena Vista POA Dues are \$85/Year.

Comparatively speaking, dues are not very expensive which means annually we run on a tight budget. Your Board is committed to effectively managing the budget and bringing forth value to the residents of Buena Vista.

Following is a summary of recent Board decisions you should be aware of as a resident of Buena Vista:

Please Welcome the Cassie Volunteer Fire Department

Buena Vista Community relies on the Cassie Volunteer Fire Department for help during times of crisis. They are a valuable, reliable and helpful resource during times of need and deserve our support and gratitude.

The Buena Vista POA Board Members unanimously voted to allow these critical first responders to use Buena Vista Boat Ramps for official rescue and personal recreation for both them and their immediate family members. I am proud of this important step in community outreach and hope in some small way our decision demonstrates Buena Vista's gratitude to the Cassie Volunteer Fire Department!

In conclusion, I would like to personally thank you for your membership and participation in the Buena Vista POA!!! I look forward to a great year in our community. You will receive updates on Board Priorities in the “Spotlight” section of future Quarterly Newsletters. Spring Is Here!!!

Kind Regards,

Tim Hightower – BVPOA President
